Objectives:

- To provide students with valuable insights into the world of entrepreneurship and inspire them to think beyond their traditional engineering journey.
- To share real-world experiences and industry knowledge that would help students understand the challenges and rewards of starting and running their own business.
- To offer students an opportunity to gain practical experience by applying for an internship at Mr. Mukund Raut's startup.
- To empower students with foundational strategic concepts in business, preparing them to become the young entrepreneurs of tomorrow.

Report of Main Activity Conducted:

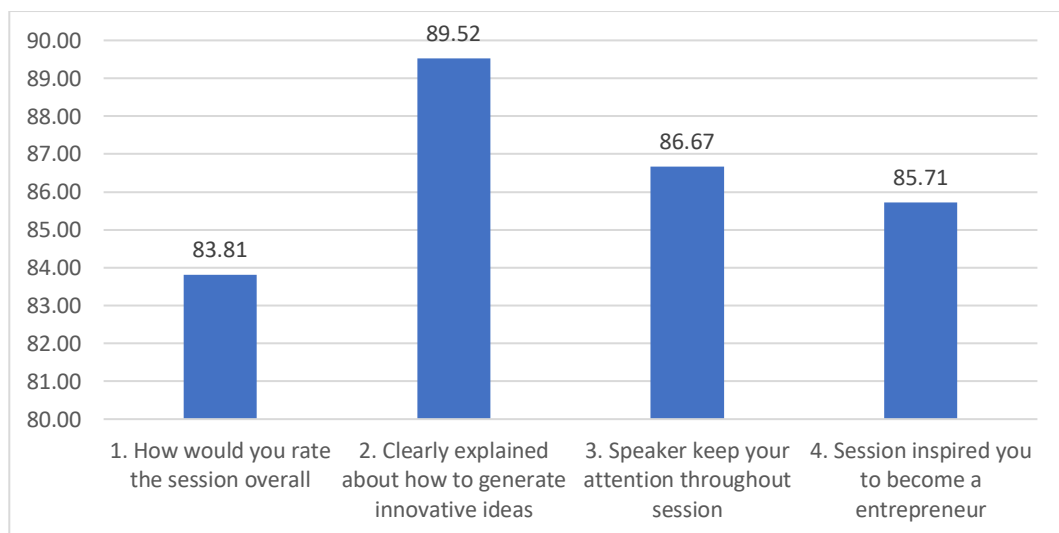

On August 23, 2024, an insightful Information Session was conducted at the ENTC Seminar Hall, JSPM's Rajarshi Shahu College of Engineering. The session was led by Mr. Mukund Raut, a successful entrepreneur with collaborations with leading companies. Over 92 students attended the event. During the session, Mr. Raut shared his entrepreneurial journey, highlighting the challenges he faced and the lessons he learned while establishing his startup. He focused on teaching students the core strategies of entrepreneurship, from identifying opportunities to building and growing a business.

In the concluding part of the session, Mr. Raut extended a unique opportunity to the students: an internship at his startup, which would provide them with hands-on experience in a real-world business setting.

Outcome:

- 92 students gained first-hand knowledge about entrepreneurship from a seasoned industry expert.
- The session sparked a wave of inspiration among students, encouraging them to explore the world of startups and business ownership.
- A direct internship opportunity was offered to the students, giving them the chance to apply their skills in a practical environment under Mr. Raut's mentorship.
- Students left the event equipped with strategic insights into starting and managing a successful business.
