**REPORT OF “Industrial Visit to “GMRT”**

**Class : S.Y. B.Tech Computer Engineering**

**Name of Session : Industrial Visit to “GMRT”**

**Date & Day : 04 October 2024[Friday]**

**Total No. of students: 63**

**Staff Members : 03**

**who have attended : Prof. R. G. Khedkar, Prof. A. U. Bhosale, Dr. Nilesh Korde**

**PO attainted : 1, 2, 11, 12**

**NAAC Core Value Mapped: 1, 2**

**Club/ Cell : Association of Computer Engineering students in association with IEEE Chapter**

**Brief Report on Industrial Visit**

On 04 October 2024, the department of Computer Engineering of Rajarshi Shahu College of Engineering had organized an industrial visit for 63 students from SY A & B division who were accompanied by three of the faculties of the department. The visit was to the “**GMRT khodad**”. The visit started in the early hours. The group was initially taken to the wireless antenna . Within the industry premises, Mr. Hanumant Rao took charge and had taken us to the plant around noon and briefed up with the introduction of the GMRT.

We were then taken to the dish of GMRT where Mr. Hanumant Rao showed us the working of different instruments related wireless network.

The visit concluded by the afternoon. Mr. Hanumant Rao then answered the queries of the students regarding wireless communication .
