

VISION OF DEPARTMENT

To create an educational environment to meet the challenges of modern Electronics and Telecommunication engineering industry through state-of -the-art technical

MISSION OF DEPARTMENT

- To entrust the students with fundamentals of Electronics Telecommunication Engineering for successful career.
2. To enable students to pursue higher education, research and promote Entrepreneurship.
 3. To serve the nation through techno-social development.

THE PROGRAMME EDUCATIONAL OBJECTIVES DEPARTMENT

PSO-I: Graduate will demonstrate the ability to apply knowledge of Electronics and Telecommunication to identify, formulate and solve Engineering problems useful to Society.

PSO-II: Graduate will demonstrate an ability to design, implement and analyze various functional elements of Electronics and Telecommunication domain, interpret data and work with multidisciplinary approach

PSO-III: Graduate will demonstrate the analytical and managerial skills with a virtue of continued learning; carry out the professional and entrepreneurial responsibilities in Electronics and Telecommunication Engineering field considering environmental issues.

GRADUATE ATTRIBUTES

K Applying Knowledge [PO:a]	A Problem Analysis [PO:b]	D Design & Development [PO:c]	I Investigation of problems [PO:d]

Sport

Our Football team has secured the Runner-up position in the //Vista 2k24// football tournament organized by Shri Balaji College. It's a testament to our hard work, dedication, and teamwork. Although we didn't clinch the top spot, we should be immensely proud of our performance. Let's use this achievement as motivation to strive for even greater success in the future. Together, we've shown what we're capable of, and I have no doubt that with continued effort and determination, we'll reach new heights. Congratulations to everyone on the team for their outstanding efforts, and let's celebrate this accomplishment together! These students from our electronics & telecommunication department are part of today's victory

- 1) Yashraj Jadhav [TY B]
- 2) Nikhil Bansode [SY A] Scored 3 goals in tournament
- 3) Shivam Pidurkar [SY B]

IIT Bombay Coding Boot Camp

Achievement: Completed IIT Bombay Coding Bootcamp

Description: Successfully completed the intensive Coding Bootcamp at IIT Bombay, honing skills in various programming languages, algorithms, and problem-solving techniques. Acquired practical experience through hands-on projects, enhancing proficiency in software development and fostering a deeper understanding of computer science concepts.

Achievement: Technophilia Web Designing Competition

CertificateDescription: Awarded the Technophilia Web Designing Competition Certificate for demonstrating outstanding creativity, technical prowess, and innovative design solutions. Showcased proficiency in HTML, CSS, and web design principles to create visually appealing and user-friendly websites. Recognized for contributing exceptional skills and ingenuity to the field of web development.

Research Symposium

Reflecting on the IEEE RSCOE Student Branch's Annual Event Research Symposium, it was indeed two enlightening days filled with inspiration and knowledge. The event featured sessions on unlocking young professional benefits by Dhiraj Chaurasia Sir and mastering research paper writing techniques by Binod Sir. Additionally, participants were treated to a stellar guest lecture by the brilliant scientist Shashikant Sharma from ISRO, followed by a mind-blowing design thinking workshop led by Rakshit Jain, sparking creativity among attendees. The symposium wrapped up with a session on patent filing and turning projects into products. A heartfelt thank you to all our speakers and participants for contributing to the outstanding success of the event. Let's continue to break boundaries and shape the future together!

The poster for the IEEE RSCOE Student Branch Research Symposium features a dark, starry background. At the top, logos for IEEE Pune Section, IEEE RSCOE Student Branch, and PES RSCOE are displayed. The title "RESEARCH SYMPOSIUM" is in large, bold, yellow letters, with the tagline "UNVEIL - CONNECT - INVENT" below it. The event dates "Pre Event 28-29 feb" are highlighted in a yellow box. A section for "GUEST SPEAKERS" shows portraits of Mr. Dhiraj Chaurasia and Mr. Shashikant Sharma, along with their titles and affiliations (Tork Motors and ISRO). A blue starburst graphic states "Open to All limited Seats". Registration fees are listed: "IEEE Members: ₹50" and "Non-IEEE Members: ₹100". A QR code for registration is in the bottom right, and the venue "Central library, JSPM RSCOE, Tathawade" is at the bottom center.
