From the Director, Dy - Director & HOD's Desk

Fresh hopes of a bright future keep us going in the post-pandemic era. Lessons learnt well should make us better citizens who are responsible towards nature and fellow beings. RSCOE College of Engineering is reputed as one of the institutes in the state where students as well as faculty members are given the best platform to perform. The COVID -19 pandemic periods have been one of the toughest phases the world has seen. The COVID-19 situation brought almost everything to a standstill. Yet I am glad that we did not succumb to the situation and gave our best. Not just online teaching-learning but we extended our support to society through community help. The institute gave its best in supporting students, whether it is teaching or projects..

The entire country stood standstill besides essential services due to lockdown, but education sector articulated its approach swiftly, and was the pioneer in continuing its services and outreach among students/parents and all its stakeholders. It deemed responsibility of the education sector to keep the youth engaged and utilize the time not only for quality education but for self-development. The faculty community was prompt in upgrading themselves to new platforms and was experimenting new avenues for sharing instruction material, assessing on theory and laboratory subjects, guiding on projects, clearing the doubts and mentoring students.

A warm welcome to you all from Engg Sciences Department. I look forward to an exciting year filled with academic, social, and emotional growth opportunities for every student. At RSCOE we will continue to provide a safe environment where all students have the opportunity to learn at high levels. Our dedicated and caring staff enjoys a professional learning community that works collaboratively to ensure that the individual and diverse needs of students are met through an academically rigorous and differentiated instructional program. We remain focused and committed to encouraging all students to be confident, caring, and self-motivated, while becoming contributing members of the community.

From The Editor's Desk

THIS YEAR HAS BEEN INCREDIBLY CHALLENGING, BUT I AM PROUD TO SAY THAT OUR FACULTY MEMBERS, STAFF, AND STUDENTS ARE MEETING THE CHALLENGES WITH GRACE, GOOD WILL AND CREATIVITY. IN THE VIEW OF WIDESPREAD PANDEMIC COVID 19 WHICH HAS DISTURBED THE LIFE AND WORKING OF WHOLE WORLD. WE HAVE NOT ONLY TAKEN CARE OF ALL THE GUIDELINES AND PROTOCOLS LAID DOWN BY THE GOVERNMENT BUT ALSO PROVED OUR COMMITMENT TOWARDS ACADEMIC EXCELLENCE BY ARRANGING VARIOUS PROFESSIONAL ACTIVITIES SUCH AS GUEST LECTURES, TECHNICAL QUIZ, INDUSTRIAL TOUR, ALUMNI CONNECT PROGRAMS AND SEMINARS/WORKSHOPS/ FDPs BOTH FOR THE HOLISTIC DEVELOPMENT OF STUDENTS AND FACULTY MEMBERS. WE HOPE YOU ENJOY THIS NEWSLETTER ALSO.

I am extremely happy and delighted to bring out our Newsletter. I feel honored for the faith reposed in me for performing the role of Editor of Department Newsletter.
