**Event Name** : **FESA 2024 – An event, By the students, For the students, About the students.**

On 26th October 2024, Dept. of Engineering Sciences and Humanities at JSPM RSCOE organized a vibrant cultural event **FESA 2024**, in the college auditorium. The program, which showcased the remarkable talents of students, was a resounding success and left a lasting impression on all attendees.

The event commenced with a traditional and auspicious Saraswati Vandana, marked by the ceremonial lighting of the lamp before the Saraswati idol, symbolizing the pursuit of knowledge and wisdom. The dignitaries present included the esteemed Principal Dr S.P Bhosale, Vice Principal Dr A S Deosthali, HOD Dr S M Yadav and DACs who graced the occasion as chief guests.

As part of the event, all the dignitaries were felicitated to honor their guidance and support. This included Principal, Vice Principal, Head of the department and DACs. Each dignitary was presented with a token of appreciation, symbolizing the department's gratitude for their invaluable contributions to the students' holistic development and the success of the institution.

A series of captivating performances followed, highlighting the students' creativity and enthusiasm. The lineup included:

**Group Singing:** Showcasing harmonious melodies that set a lively tone for the day.

**Group and Solo Dance Performances:** Energetic and graceful movements captivated the audience.

**Solo Singing:** A display of exceptional vocal talent.

**Poem Recitation:** Thought-provoking and heartfelt compositions that resonated with the audience.

The program concluded on a high note with an inspirational address by the Head of Department, who commended the students for their efforts and encouraged them to continue exploring their talents. The

vote of thanks, delivered by Pallavi Pendse, acknowledged the contributions of all participants, organizers, and attendees, ensuring the event's success.

The FESA event was a significant platform for students to showcase their abilities, gain confidence, and experience the joy of performance. The efforts of the organizing team, coupled with enthusiastic student participation, resulted in what was widely appreciated as one of the best events of the year.

The event served as a testament to the department's commitment to holistic development and provided a memorable experience for everyone involved.
