The resource person, Ms. Ankita Nagarkar, HR Executive, Amazon Pune discussed the importance of innovations. She explained her journey from 1st patent filing at the age of 16 yrs through the registration of 10 patents. Along with innovations, she also explained the patent filing process. All the students are inspired to take their research/project work upto the level of patent filing.

Total 116 students of S.Y.BTech, E&TC have attended the session in department seminar hall. The seminar ended with a question-answer session and vote of thanks.
