**RUDRA GEO
TECHNOLOGIES
MOU**

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING (MoU) is entered on 24/08/2021 between

Rudra Geo Technologies

18/1, 1ST FLOOR, VISHNU SADAN,
MAYURESHWAR COLONY,
NEAR MAYURESHWAR MANDIR,
THERGAON,
PUNE - 411 033.
MAHARASHTRA

Represented by Mr Sandeep Kulkarni , Director.

And

JSPM's Rajarshi Shahu College of Engineering, Tathawade, Pune

Rudra Geo Technologies and
JSPM's Rajarshi Shahu College of Engineering are also referred to individually as 'First party'
and 'Second party' respectively and collectively as 'parties'.

Article 1: Objectives of MoU

Some broad goals of this MoU are to:

1. Strengthen bond between industry and academia.
2. Provide service to industry like higher education, infrastructure, manpower etc.
3. Expose the students of Electronics and Telecommunication Engineering, to the existing scenario in this electronics industry and evolve a mutually beneficial working relationship between the company and the institute on a need basis.
4. Provide internships, industrial visits, training sessions, guest lectures for the students.
5. Enhance the understanding of students through field experience.

Article 2: Activities involved

1. Provide higher education to employees in industries.
2. Provide infrastructure utilization for industry.
3. Guest lecture/Session on scope of electronics in industry.
4. Arranging internships to the eligible students.
5. Industrial visits for faculty members and students.
6. May provide live/sponsored projects to eligible diploma students.

Article 3: Roles of First party

1. Company will conduct three layers cascaded program as follows:

I. Industry-Faculty Synchronization Program:

The faculty of MITWPU, School of Polytechnic and Skill Development will visit the company for introduction and interaction to the existing facilities. This will help to understand the gaps between the academics and current industrial scenario and result in introduction of activities over and above curriculum.

II. Industry-Faculty-Students Synchronization Program:

The representatives of the company will visit the institute on regular basis to interact with students/faculty to give them an idea about increasing employability and also have regular sessions that will give them an idea of the current trends in the industry.

III. Industry-Student Synchronization Program:

Apart from arranging industrial visits to the company's facility on a regular basis, the company will offer-

- a) Internships
- b) Projects
- c) Training

2. Issue certificates to the students after completion of successful internships/projects.

Article 4: Roles of Second party

1. Provide higher education to employee willing for it.
2. Provide participation at workshop / seminar / training program arranged at various level.
3. Provide necessary infrastructure to conduct sessions, training programs, etc.
4. Provide eligible students to work on live projects and internships.
5. Assurance of non-violation of the rules and regulation of the company during internships or training programs.
6. Motivate students to take internships and projects in the areas specified by the company.

Article 5: Outcomes

This MoU will enable the industry

1. To educate employees at next level.
2. To nurture employees in terms of technology with participation in workshops/ seminars etc.

This MoU will enable the students

3. To work in the field of electronics product manufacturing.
4. To understand the scope of electronics industry.
5. To get acquainted with the industry environment.

Article 6: Duration of MOU

This MoU shall remain in force for a period of five years commencing from the date of signing of this document from 23/08/2021 To 23/08/2025 .The parties reserve the right to terminate this MoU by either party giving three month written notice to the other, where such termination occurs, the provisions of this Memorandum shall continue to apply to ongoing activities until their completion.

Article 7: Financial terms / condition

Based on this intend both parties will decide jointly the commercial terms that would be mutually beneficial for the success of this venture.

Article 8: Statement of Intent

Nothing in this MoU shall be constructed to as creating any legal relationships between the parties. This MoU is the statement of intent to foster genuine and mutually beneficial collaboration.

Article 9: Amendements

Amendments to this contract, if any, will be made only after joint discussion and agreement between both parties and will require a freshly approved and signed agreement by the designated representatives of each party. The terms/clauses/articles in this MoU can be reviewed by mutual consent by serving three month written notice the other party. New or amended terms/clauses/articles may be agreed as of a renewed MoU.

JSPMs Rajarshi Shahu College of Engineering and Rudra Geo technologies welcome the establishment of this MoU for cooperation & jointly agree to the provisions as set above. This MoU shall be effective from the date of its signing.

This Memorandum of Understanding ("MOU") is executed as of date: ("17TH November 2021")

Party 1: KasNet Technologies Pvt Ltd. a company registered in USA and India , having it's Registered office at Narhe Industrial Estate , Narhe , Pune -411041.

Party 2 : Department of Information Technology, JSPM'S Rajarshi Shahu College of Engineering (RSCOE)

Where ,KasNet is a US base leading information Technology Company having its offshore development center in india.

Whereas, **RSCOE** is in the business of Academic Institute ("Partner solution")

Whereas, both the Parties wish to work together to promote mutual business interest and this MOU sets forth the terms of their understanding.

- 1- Objectives: The purpose of this MOU is to develop and extend a framework of cooperation and joint operations which will be henceforth called "MOU" between KasNet and **RSCOE** to commence and progress towards a mutually beneficial engagement . This MOU seeks to crystallize the understanding of both parties as regards the mode of their engagement and define their roles and responsibilities.

Both parties have mutually agreed to conduct the following activities under the MOU.

- A- Carrier Guidance Program
- B- Knowledge sharing sessions, How to prepare for Interview in MNC
- C- Placement preparation for students, Mock interviews
- D- Microsoft Exam Preparation and Exam conduct
- E- Soft Skills session and Preparation
- F- Free Internship to Students.

Above seminar will be free of cost, no cost will be added after seminar

2. Responsibilities of College:

- A- Nominate a Single point of contact (SPOC) to support this activity from college side.
- B- Ensure necessary logistic, infrastructural and academic support (through teaching faculty) to conduct the various activities.

3. Responsibilities of KasNet :

- A: Nominate a Single point of contact (SPOC) to support this activity from Kasnet side.
- B: Provide necessary technical, logistic and infrastructural support to conduct the activities.
- C: Workshop may be conducted if institute wishes

4. Joint Responsibilities of the parties :

- A: Ensure active participation and end to end support to achieve desired result.
- B: Set up joint progress tracking mechanism.
- C: Sync up on periodic basis.
- D: Provide infrastructure support on need basis.
- E: Follow ups with internal as well as external stakeholders.

5. Termination: Either party may terminate this MOU in the following events:

- A. In the events of insolvency, bankruptcy or winding up of the party.
- B. With a written notice of 30 days to the other party.
- C. On entering into a Definitive MOU

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made on 9th April 2022 Saturday between AD IT Consultancy and RSCOE College. The training can be conducted in the premises of any of the organization with the mutual understanding of AD IT Consultancy or RSCOE College.

The two parties to this Memorandum of Understanding, with the intention of both being legally bound, accept the following terms and conditions:

Benefits of MOU:

1. Both the Department of Information Technology of JSPM's RSCOE and AD IT Consultancy, Pune, believe that close co-operation between the two would be of major benefits to the students to enhance their skills and knowledge and would act as platform in bridging the gap between academia and industry.
2. Interaction of AD IT Consultancy, Pune and the Department of Information Technology, will give an insight in to the recent developments/ requirements of the industries. Hence, the students can be equipped to meet tomorrow's challenges present in the real world.
3. AD IT Consultancy, Pune and the Department of Information Technology tie up will build confidence and prepare the students to have a smooth transition from academia to industry.
4. AD IT Consultancy, Pune shall give a real time project(s) that can be done by students.
5. To guide the students to make the projects by utilization of the training in both premises.
6. To provide specific training requirements for students in the latest technological fields and related software developments.
7. To provide forums like workshop and short term training courses.
8. Role & responsibilities of each party will be as under:

Roles and Responsibilities of AD IT Consultancy, Pune

- a. Offer internship program to Third Year and Final Year students with duration of (30 Days). The students shall be familiarized / trained / taught on live projects within the organization. All the expenses incurred during this period on account of travel, transportation, lodging and boarding shall be borne by the respective students.
- b. Issue certificates to each participating student on successful completion of Internship program.
- c. To provide SinglePoint of Contact for mentorship, internship and placement program and conduct the program.
- d. Conduct technical workshops/seminars on various important key areas or topics to gain skills in the respective domain, as per the requirements of the students of Information Technology department, RSCOE,PUNE during the internship program. The dates and duration of workshops can be decided with mutual consultation from time to time.
- e. The training program offered by AD IT Consultancy could be voluntary; the fee structure for training program will be decided by Department of Information Technology and AD IT Consultancy jointly.
- f. AD IT Consultancywill assist in providing placement opportunities to the interested students without any compulsion on either the students or the company.
- g. AD IT Consultancywill offer sponsored projects to the students for their final year academic project.

Role & Responsibilities of RSCOE:

- a. Allow students of RSCOE to attend the various industries oriented training programs.
- b. To render all required support to **AD IT Consultancy, Pune** in selection of the students to undergo the **AD IT Consultancy, Pune**Courses.
- c. To arrange & provide required infrastructure & facilities like:
 - Permission to post **AD IT Consultancy, Pune**club event posters in college premises.
 - Notice board space in common notice board in college premises.

PREAMBLE

Strategic Tie-up between "BRILLIANCE INFOTECH" and JSPM's Rajarshi Shahu College of Engineering, Pune

This Memorandum of understanding (MoU) is executed as of date 15/02/2022 and is valid till 15/02/2024 for a period of 3 years.

'Brilliance Group' has been started informally since early 2000 and established formally in the mid of 2016. It is the group of good academicians, industry experts and organizations working for each human being on the earth planet, willing to make self and others life worthy. The services, knowledge and excellence of Brilliance Group will assist you in all your endeavours.

We, the group, listen and understand very well, concerns and needs of our diverse clients. Our goal and motto are, to provide quality deliverables and best solutions to every customer with genuine and personal attention. We are pleased to cater you for all your requirements, needs and dreams.

We serve a very wide client base, from education to corporate; including Engineering, Diploma and all other students to corporate professionals. Our efforts with vision, help each stakeholder to be successful as we strongly believe that our success is measured by the success of our clients.

The BRILLIANCE INFOTECH is engaged in Professional Trainings, Industry Internship, Expert Faculties, IT consultant, Institute Development, Web Designing, IT System Development & Professional certificate with its registered office at 301, Prakash Florence, Kaveri Nagar, Wakad, Pune – 411057. Website: www.brilliancegroup.in.

JSPM's Rajarshi Shahu College of Engineering is one among the hallmark institutes of Pune, established in 2001 with the aim of providing quality technical education and excellence in the ever-expanding horizon of technical revolution of 21st century. RSCOE is recognized as "Ph.D. Research Center" for M-Tech, Civil, E&TC Engineering by Savitribai Phule Pune University (SPPU). All under graduate programs have been accredited three times by National Board of Accreditation, New Delhi. RSCOE is also accredited by NAAC with "A" grade (CGPA 3.26). Recently UGC has accorded Autonomy to RSCOE which empower to design contemporary curriculum, which is relevant to industry, so as to maximize employability of the graduates. The institute has received "Best Professional College award (Urban Category)" by SPPU,

Welcome to Bentley!

Thank you for your recent purchase and for choosing Bentley Systems. We appreciate your business and want to make sure that downloading or updating your software is easy.

Order Summary

<u>Item</u>	<u>Product</u>	<u>Quantity</u>
10	Academic SELECT	100

Getting Started

Please ensure you are connected to the internet and have your Bentley profile user name and password.

Download your application:[**DOWNLOAD**](#)**Activating CONNECT Licensing-enabled applications:**

CONNECT Licensing requires users become registered in User Management and then sign in with those credentials to access the application. Before downloading your CONNECT Licensing-enabled application, please follow the steps outlined below:

1. Register your users in [User Management](#). (You must be an administrator co-administrator to complete this step)
2. Download the CONNECT Licensing-enabled application on your machine(s).
3. Upon accessing the application, the CONNECTION Client will appear and prompt users to sign in to continue. First time users will need to click "**Forgot Password**" to create their password, using the email address registered in Step 1.

Activating other applications:

For all other applications without CONNECT Licensing, please enter the information below into the Product Activation Wizard once the download is complete:

Bentley Systems, Incorporated

For enhancing the quality of technical education being imparted to **Mechanical Engineering Students** at the institute.

Corporate Office:

#91, Dr. Radhakrishnan Salai, 8th Floor, Gee Gee Crystal,
Office No. 8C & 8D, Mylapore, Chennai- 600 004. India.
Phone: 004-4596 6100.

CADD Centre Training Services Private Limited

OBJECTIVES:

1. This MOU has been signed for the purpose of enriching the quality of technical education in new subject areas, learning and teaching process, and to jointly work for enhancing the quality of education being imparted to engineering students.
2. To prepare students with advanced technical skills in order to make them compatible for industrial needs and to gain recognition globally.

BENEFITS FOR BOTH PARTIES:

As per MOU

(CADD Centre, Aundh) will help the institute by granting the permission for-

1. Conduct guest lectures, workshops, competitions (in house, national, international level), Seminars, Webinars conferences and various other interactive activities to bring out the best in students
2. Allow faculty-training programs on newly developing technologies in order to increase the quality of classroom education.
3. Provide technical as well as soft skills training to increase employability. To prepare students for professional industrial approach.
4. Work with educational bodies/ universities to align industrial requirement with college curriculum.
5. Technical guidance for development of college Lab and Setups. Provide research projects to teaching faculties to enhance quality of education.
6. Provide sponsorships and support for various events organized by college.
7. Share industry oriented courseware and technology with students and faculty members, and organize joint programs between industry and academicians.

JSPM'S Rajarshi Shahu College of Engineering will help CADD Centre providing-

1. Research or computer lab facility for theory and practical classes.
2. Help in making arrangements for campus interviews and events for student welfare.
3. Information about passed out students looking for change in service.
4. Organizing career counselling sessions for students of the institute.
5. Technical support in making arrangements of any program that is to be held at the institute.
6. Prepare students for the job opportunities that are being marked with the help of our PLACEMENT DIVISION.

TERMS AND CONDITIONS:

A. Relationship:

1. MOU is the collaboration between two parties for mutual benefits.
2. MOU stands valid for **three years** from the date of agreement. The collaboration can be terminated from either side with notice period of **one month**.
3. Both parties shall work in synchronism to ensure the successful completion of collaboration.
4. Both parties shall provide adequate facilities to the students undergoing training with mutual understanding.
5. **Mr. Kishor B. Lekurwale** will be single point of contact from **CADD Centre, Aundh**.
6. **Dr. Rachayya R. Arakerimath (Head, Department of Mechanical Engineering)** Will be single point Contact from **JSPM'S Rajarshi Shahu College of Engineering, Pune**.

There shall be clarity between both parties, no other company with same agenda will be allowed to carry any other task in college campus.

B. Obligation:

1. There shall be no obligation on any party to compensate the other in any manner or to make any claim.
2. Each parties shall meet the expenses as mutually agreed.
3. Each party shall respect the others intellectual properties.
4. Both parties shall maintain confidentiality about any information.

C. Limitations:

1. Each party represents that they have full power and authority to enter into this MOU.
2. Each party shall ensure to work together with maturity.

D. Conditions:

1. Both parties will designate a representative who will be the primary point of contact.
2. Unless and until the parties agree, there shall be no public announcement. Agreement has to be in the form of written approval.
3. Any dispute under this MOU will be settled at PUNE, through arbitration if necessary.
4. In written, where of both parties put their hard seal on the day, month and year herein mentioned

OBJECTIVES:

1. This MOU has been signed for the purpose of enriching the quality of technical education in new subject areas, learning and teaching process, and to jointly work for enhancing the quality of education being imparted to engineering students.
2. To prepare students with advanced technical skills in order to make them compatible for industrial needs and to gain recognition globally.

BENEFITS FOR BOTH PARTIES:

As per MOU

(CADD Centre, Aundh) will help the institute by granting the permission for-

1. Conduct guest lectures, workshops, competitions (in house, national, international level), Seminars, Webinars conferences and various other interactive activities to bring out the best in students
2. Allow faculty-training programs on newly developing technologies in order to increase the quality of classroom education.
3. Provide technical as well as soft skills training to increase employability. To prepare students for professional industrial approach.
4. Work with educational bodies/ universities to align industrial requirement with college curriculum.
5. Technical guidance for development of college Lab and Setups. Provide research projects to teaching faculties to enhance quality of education.
6. Provide sponsorships and support for various events organized by college.
7. Share industry oriented courseware and technology with students and faculty members, and organize joint programs between industry and academicians.

JSPM'S Rajarshi Shahu College of Engineering will help CADD Centre providing-

1. Research or computer lab facility for theory and practical classes.
2. Help in making arrangements for campus interviews and events for student welfare.
3. Information about passed out students looking for change in service.
4. Organizing career counselling sessions for students of the institute.
5. Technical support in making arrangements of any program that is to be held at the institute.

MEMORANDUM OF UNDERSTANDING

BETWEEN

**INSTITUTE OF TECHNOLOGY PETRONAS
SDN. BHD.**

AND

**JSPM'S RAJARSHI SHAHU
COLLEGE OF ENGINEERING**

UNIVERSITI
TEKNOLOGI
PETRONAS

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as the "MoU") is made and entered into this 08th day of June 2022.

BETWEEN: **INSTITUTE OF TECHNOLOGY PETRONAS SDN. BHD.** [Company No. 199501023672 (352875-U)], a company incorporated in Malaysia and having its registered address at Tower 1, PETRONAS Twin Towers, Kuala Lumpur City Centre, 50088 Kuala Lumpur (hereinafter referred to as "ITPSB");

AND: **JSPM'S RAJARSHI SHAHU COLLEGE OF ENGINEERING**, having its registered address at JSPM Rajarshi Shahu College of Engineering, Service Rd, Ashok Nagar, Tathawade, Pimpri-Chinchwad, Pune, Maharashtra, INDIA 411033.

(ITPSB and RSCOE are collectively referred to as the "Parties" and individually as the "Party").

WHEREAS:

- A. ITPSB, a subsidiary of PETRONAS, owns and manages Universiti Teknologi PETRONAS (hereinafter referred to as "UTP"), a private higher learning institution established under Private Higher Educational Institutions Act 1996 located at Bandar Seri Iskandar, Perak
- B. JSPM's Rajarshi Shahu College of Engineering (RSCOE), Pune has been established in 2001, as an affiliated institute with Savitribai Phule Pune University with Approval from All India Council for Technical Education (AICTE), New Delhi. RSCOE has been Awarded "Best College - in Professional -Urban category" by Savitribai Phule Pune University in the academic year 2012-13. In the span of 21 years, RSCOE has created a niche with all its undergraduates (UG) engineering programs viz Mechanical, Civil, Computer, Electronics & Telecommunication, Information Technology; 5 postgraduates programs of Engineering and one each of MBA and MCA; Ph.D. programs in Mechanical, Civil, Computer Engineering and Electronics & Telecommunication.

Recently, JSPM's RSCOE, Pune has been accorded with Autonomy by University Grant Commission (UGC) after a critical review of its Academic Processes of Curricular Aspects, Teaching - Learning and Evaluation, Research Innovation and Extension, Infrastructure and Learning Resources, Students Support and Progression and Governance, Leadership, and Management.

All UG programs have been accredited by the National Board of Accreditation (NBA) which is equivalent to ABET accreditation in India. Recently JSPM's RSCOE received MHRD-NIRF -2021 ranking in the range of top 251-300 colleges. This Institute was awarded the distinguished ISTE Awards in 2021. This institute has also been featured in top rankings like India Today, Outlook and Career 360.

13. EXECUTION IN COUNTERPARTS & DIGITAL SIGNATURE

The Parties may sign this MoU in one (1) or more counterparts through the respective duly authorised representatives of the Parties, each of which constitutes an original and all of which when taken together shall constitute one and the same instrument. The Parties may electronically sign this MoU, and the Parties may deliver this MoU by facsimile or by emailed portable document format ("PDF") document (or other mutually agreeable document format between the Parties), and a reproduction of this MoU with a Party's signature made by electronically, sent by facsimile or email shall have the same effect as and be enforceable as a signed and delivered original version of this MoU.

[END OF CLAUSES]

IN WITNESS WHEREOF, the Parties hereto have caused this Memorandum of Understanding to be executed by their respective duly authorised representatives on the day and year first above written

Interactive Session for initiation of MOU with Universiti Teknologi
PETRONAS, Malaysia
Minutes of Meeting

Name of Program: Interactive Session for initiation of MOU with Universiti
Teknologi PETRONAS, Malaysia

Date of Meeting: 2nd March 2022

Chief Guest: Assoc.Prof.Dr. Srinivasa Rao Pedapati

Dignitaries

Participated: Dr. R.K. Jain, Director
Dr. Ram Joshi, Dean Academics
Dr. S. P. Rao Borde, Dean Training Placement
Dr. Binod Kumar, Dean International Relations
Dr. Avinash M. Badadhe, HoD, Automation & Robotics
Dr. Rachayya R. Arakerimath, HoD, Mechanical
Dr. Namdev A. Patil, Associate Prof, ME Department

Objective of Program: To initiate the Memorandum of Understanding for students internships, virtual research attachment, faculty interaction, availing LAB facilities.

About the Guest:

Prof Srinivasa Rao is an active researcher with more than 3 decades of teaching experience. He has 70+ publications in refereed journals and has successfully supervised diverse learners (India, Malaysia, Middle east) for their Masters & PHD. His research interests are Welding, Friction Stir Welding, FSP composites, soft computing applications, Artificial Intelligence, gas hydrates, O&G pipelines and Manufacturing related area . His current projects are Thermo-mechanical modeling of FSPed hybrid composites, Friction Stir Spot Welding, FSP composites, Explainable Artificial Intelligence for Anomaly Detection and

Prognostic of Gas Turbines using Uncertainty Quantification and models for oil & gas pipeline condition using ANN techniques..

About the Program:

The aim of this interactive session was to understand the process of initiation of MOU between JSPM's RSCOE, Pune and UTP, Malaysia. The meeting started with a short address from our Director Dr. R. K. Jain. Further the institute profile in terms of diverse academics, research, consultancies, active MOUs, students progression and internships have been demonstrated to chief guest by Dr. Binod Kumar. The meeting host Dr. N.A. Patil requests all the dignitaries to participate in the interaction as per agenda points.

Dr. S.P. Rao Borde has put his remarks on the possibilities of students internships through final year B.Tech. slot available in autonomy structure. He further elaborated on possibility of virtual internships. To this point Dr. Srinivasa Rao has responded affirmative and said that to initiate this students movement a process has to be initiated with Strategic Alliance Office of PETRONAS university. He accepted to be the focal point for taking the followup of the activity.

Dr. Kam Joshi has requested for possible interaction in students exchange, credit transfer and collaborated conferences arrangements. To this point, again Dr. Srinivasa Rao has responded affirmative and asked to seek cosponsorship for ICPER 2022 to be conducted in September 2022. The students exchange and credit transfer scheme could be possible only after MOA (Memorandum of attachment), for which need to check SPPU and AICTE norms.

Dr. Namdev Patil has noted important emails and contacts mentioned by Dr. Srinivasa Rao for further expedite of the MOU process. With this meeting was concluded with positive remarks to meet again with progress.

We are very thankful to our institute and management to encourage for taking this initiation activity.

MEMORANDUM OF UNDERSTANDING

BETWEEN

JSPM'S Rajarshi Shahu College of Engineering, Tathawade, Pune
Department of Mechanical Engineering

AND

M/S Kristech Automation

32, Khan vasti, Warje Malwadi, Warje -Pune, India, 411014.

This Agreement made and entered into on this 4th day of March 22 between JSPM'S RSCOE Tathawade, Pune situated at Pune and Kristech automation, Pune.

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between JSPM'S RSCOE Tathawade, Pune and Kristech automation, in mutually beneficial areas.
- To provide a formal basis for initiating interaction between JSPM'S RSCOE Tathawade, Pune and Kristech automation. . .

2. PROPOSED MODES OF COLLABORATION

JSPM'S RSCOE Tathawade, Pune and Kristech automation Pvt. Ltd. propose to collaborate through

- Collaboration of student's projects/Internship in two years M.Tech. and four year B.Tech. degree programs of JSPM'S RSCOE Tathawade, Pune.
- Training of engineers at Kristech automation Pvt. Ltd., through continuing education programmes conducted by JSPM'S RSCOE, Tathawade, Pune in areas of interest to Kristech automation Pvt. Ltd.
- Any other appropriate mode of interaction agreed upon between JSPM'S RSCOE Tathawade, Pune and Kristech automation Pvt. Ltd.

Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties

3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (here in after referred to as "Research Program") will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

- a. **In their own existing facilities-** The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility-** The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
- c. **Third parties-** The performance of research by the Parties together with one or more third parties.

4. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties here under shall be initiated by the signing of a separate research agreement between the parties, which will describe in details:

- a. The nature, scope and schedule of the research collaboration.
- b. The form of the research collaboration.
- c. The estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. The treatment of intellectual property and data rights, including patents, industrial design registration, copyright and all other proprietary information (including innovations not patented, design not registration etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.

5. CONFIDENTIALITY

- a. During and for a period of three years from the date of disclosure, each party agree to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above, shall not extend to any confidential information for which the receiving party can prove that this information
 - Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party,
 - Is already known or become known to the receiving party,
 - Is receiving from third party having no obligations of confidentiality to the disclosing party,
 - Is independently developed by the receiving party; or
 - Is required to be disclosed by law or court order.

6. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

7. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by either duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MOU signed between Kristech Automation and Department of Mechanical Engineering of JSPM's Rajarshi Shahu College of Engineering, Pune

This is with the reference to your Letter No. RSCOE/Mech/MOU/2016-17/¹⁴ dated ^{25/1/17}. We are pleased to inform you that Kristech Automation is accepting the Memorandum of Understanding (MoU) with Department of Mechanical Engineering of JSPM's Rajarshi Shahu College of Engineering, Pune on promoting and reinforcing cooperation, mutual exchange of Information and Technological know-how, joint collaborative work in R&D projects, internships and placements, improvement of research and academic programme and also exchange of experts and researchers.

The MOU states that the two organizations will honor the agreement by:

- Promoting interaction between Kristech Automation and Dept. of Mech. Engg. of R.S.C.O.E. in mutually beneficial areas of upcoming technologies and research area.
- Sharing knowledge and capability in the concern areas.
- To collaborate, share information and technology to develop the required skills in students.
- To support the institute in following activities.
 - i. Research work leading to M.E./ B.E. degree.
 - ii. Laboratory/ infrastructure Development.
 - iii. Capability development of the students.
 - iv. Internship to pre-final and final year students.
 - v. Organization of joint Workshops, Seminars, Events.

This MOU is valid for 12 months from the above date.

Looking ahead for better interaction in future.

Thanking You.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this _____ 12/07/2022,

BETWEEN

JSPM's Rajarshi Shahu College of Engineering, Tathawade, Pune-411035, the First Party represented herein by its Dr. R. K. Jain (hereinafter referred as 'RSCOE', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Imperial Institute of Excellence - I2E - Office No.11, 2nd Floor - Aditya Centeegra Building, FC Road, Pune 411004 -, the Second Party, and represented herein by its Zonal / Divisional Head, - Mr. Paresh Gugale, (hereinafter referred to as "I2E", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
- (i) **JSPM's Rajarshi Shahu College of Engineering, Tathawade, Pune**
- B) First Party & Second Party believe that collaboration and cooperation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intend to cooperate and focus their efforts on cooperation within the area of Skill-Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) IZE, the Second Party is engaged in the Training of Competitive Examination Like - GATE for All Branches of Engineering Students.
- F) IZE has branches all across Maharashtra for GATE Examination Training, has trained more than 25,000+ students, and has strong alumni working at Top PSUs, IITs, IISc and NITs etc.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and cooperation that will promote and advance their respective operations within the **RSCOE** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party cooperation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **GATE | MPSC | ESE Awareness Session:** Second Party will Motivate and give valuable input to the First Party Students by Conducting Awareness Talks | and Seminars in the 2nd Year, 3rd Year, 4th Year to understand the Importance of the GATE Examination in various sectors like Jobs, PSUs, Higher Education (MTech | MS | MBA) in the Premier Institutes of India.

2.3 **GATE | MPSC | ESE Free Demo Lectures:** Arranging Demo Lectures for the Interested Students of the First Party who wish to Crack the Exam in the 1st Attempt.

2.4 **Free Online Aptitude Lectures:** Arranging Aptitude Lectures for the

Students Preparing for Campus Placements or Competitive Examination at free of cost.

- 2.5 **Free Platform to Upload Aptitude Test:** Providing Platform to Upload the Aptitude Test Prepared by External Tutor of the First Party at free of cost.
- 2.6 **Free Mock Test:** Free Online Mock Tests will be conducted before the Examination for the Students of the First Party.
- 2.7 **Guest Lectures:** If required, the Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the Competitive Examination through Offline or Online Mode depending on the Mutual Consent between the two.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.9 There is no financial commitment on the part of the **RSCoE**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt with separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for Approx.3 Years (till December - 2025), during which period **I2E**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **I2E**, the Second Party after the termination of this Agreement by way of communication,

correspondence etc., shall not be construed as an extension of this MOU

- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Pune**.

MEMORANDUM OF UNDERSTANDING

BETWEEN

JSPM'S Rajarshi Shahu College of Engineering, Tathawade, Pune
Department of Mechanical Engineering

AND

M/S Analyzer CAE Solutions Pvt. Ltd., 225, Ashoka Plaza, In-between Hotel Hyatt Regency
& IBIS, Viman Nagar, Pune, India, 411014.

This Agreement made and entered into on this 25th day of Feb. 2022 between JSPM'S
RSCOE Tathawade, Pune situated at Pune and Analyzer CAE Solutions Pvt. Ltd., Viman Nagar, Pune.

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between JSPM'S RSCOE Tathawade, Pune and Analyzer CAE Solutions Pvt. Ltd., in mutually beneficial areas.
- To provide a formal basis for initiating interaction between JSPM'S RSCOE Tathawade, Pune and Analyzer CAE Solutions Pvt. Ltd.

2. PROPOSED MODES OF COLLABORATION

JSPM'S RSCOE Tathawade, Pune and Analyzer CAE Solutions Pvt. Ltd. propose to collaborate through

- Collaboration of student's projects/Internship in two years M.Tech. and four year B.Tech. degree programs of JSPM'S RSCOE Tathawade, Pune.
- Training of engineers at Analyzer CAE Solutions Pvt. Ltd., through continuing education programmes conducted by JSPM'S RSCOE, Tathawade, Pune in areas of interest to Analyzer CAE Solutions Pvt. Ltd.
- Any other appropriate mode of interaction agreed upon between JSPM'S RSCOE Tathawade, Pune and Analyzer CAE Solutions Pvt. Ltd.

Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties

3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (here in after referred to as "Research Program") will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

- a. **In their own existing facilities-** The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility-** The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
- c. **Third parties-** The performance of research by the Parties together with one or more third parties.

4. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties here under shall be initiated by the signing of a separate research agreement between the parties, which will describe in details:

- a. The nature, scope and schedule of the research collaboration.
- b. The form of the research collaboration.
- c. The estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. The treatment of intellectual property and data rights, including patents, industrial design registration, copyright and all other proprietary information (including innovations not patented, design not registration etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.

5. CONFIDENTIALITY

- a. During and for a period of three years from the date of disclosure, each party agree to consider as confidential information disclosed by the other party in written or tangible form or , if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above, shall not extend to any confidential information for which the receiving party can prove that this information
 - Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party,
 - Is already known or become known to the receiving party,
 - Is receiving from third party having no obligations of confidentiality to the disclosing party ,
 - Is independently developed by the receiving party; or
 - Is required to be disclosed by law or court order.

6. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

7. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by either duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

On behalf of

On behalf of

a. JSPM'S RSCOE, Tathawade, Pune.

MEMORANDUM OF UNDERSTANDING

BETWEEN

EduSkills
Nation Building Through Skills

EduSkills Foundation ("EduSkills")

AND

JSPM Rajarshi Shahu College of Engineering

FOR EDUSKILLS MEMBERSHIP PROGRAM

This Memorandum of Understanding ("MOU") is effective from the date of signatures below ("Effective Date"); hereinafter, each a "Party" or together, "the Parties". EduSkills will be referred as 'First party' and other party will be referred as 'Second party'.

The Parties have been discussing a proposed collaboration in the area of "Skill Development, IT Education and Workforce Development Programs" ("Collaboration Areas").

Now the Parties agree as follows:

A. NON-BINDING TERMS.

The Parties understand that MOU is intended only to summarize the current understanding of the parties with respect to the principal terms of the proposed collaboration.

The Parties understand that this MOU is intended only to summarize the current understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

B. BINDING TERMS

The Parties hereby acknowledge and agree that the following subsections under this Section B (Binding Terms) shall be binding and create legal rights and obligations on the Parties.

1. Confidentiality

In this MOU "Confidential Information" means any information or data, irrespective of the form and nature thereof, that is material to the Party disclosing such information ("Discloser") to the other Party ("Recipient"), including, but not limited to technical know how, specifications, designs, models, software, techniques, drawings, processes, as well as industrial and intellectual property rights, business information, trade secrets, customer lists, financial information, process, costs, sales and marketing plans, information posted on their respective websites or any other information with the Recipient knows or reasonably ought to know is confidential, proprietary or trade secret information of the Discloser.

The Recipient shall at all times, both during the term of this MOU and for a period of at least three (3) years after its expiration or termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than for the purpose of fulfilling its obligations under this MOU, nor shall the Recipient disclose any such Confidential Information to any third party without the Disclosing Party's prior written consent. Upon termination of this MOU or written request from the Discloser, the Recipient shall, within fifteen (15) days from such termination or request, return all Confidential Information and any and all copies thereof to the Discloser, or at the Discloser's option, destroy the Confidential Information and any and all copies thereof, and certify such destruction.

The obligations of confidentiality set forth herein shall not apply to information which;

- a. Was rightfully in possession of or known to the Recipient without any obligation of confidentiality prior to receiving it from the Discloser;
- b. Is, or subsequently becomes, legally and publicly available without breach of this MOU;
- c. Is rightfully obtained by the Recipient from a source other than the Discloser, without any obligation of confidentiality; or
- d. Is developed by or for the Recipient without use of the Confidential Information.

The Recipient may only disclose Confidential Information pursuant to a valid order issued by a court or governmental agency, provided that the Recipient provides the Discloser:

- a. Prior written notice of such obligation; and
- b. The opportunity to oppose such disclosure or obtain a protective order.

The Confidential Information shall remain the property of the Discloser and no license to any existing or future intellectual property rights or Confidential Information is granted or implied under this MOU.

All Confidential Information is provided "AS IS". The Discloser shall not be liable for any inaccuracy or completeness of the Confidential Information, nor are there any express or implied representations or warranties by either party to the other, including with respect to the infringement of any intellectual property rights or any right of privacy, or any rights of third persons.

2. Scope

The scope of this MOU does not cover any development work, testing, licensing, distribution, support, sales, or maintenance. Should the Parties decide to pursue such matter that is outside the scope of this MOU, the Parties shall enter into a development, license, distribution, or other appropriate written agreement(s) accordingly.

3. Publicity

The Parties hereby agree that no press release or other public announcements regarding this MOU or any agreements contemplated thereby shall be made without prior review and written agreement signed by a duly authorized representative of the other Party.

4. Term and Termination

The Parties agree that this MOU shall be effective as of the Effective Date and shall continue in effect until the earliest occurrence of one of the following: (1) the execution of a definitive MOU or definitive agreement relating to the scope of this MOU; (2) written notice by one Party to the other of termination of this MOU; or **thirty six (36) months** from the Effective Date of this MOU. Section B (including all subsections) shall survive any termination of this MOU. Upon expiry of the Term, it is the intention of the Parties to further progress the solutions initiated under this MOU towards overall achievement of the objectives and outcomes contemplated herein. Second party shall, to this extent, endeavor to continue maintaining and promoting such solutions and projects to further the objectives set forth in the MOU.

5. Limitation of Liability

Except for liability relating to either Party's breach of the other Party's confidential information or intellectual property rights, in no event shall either Party be liable to the other Party for any direct, indirect, incidental, special, punitive or consequential damages or loss of profits, lost revenue or loss of data.

Notwithstanding the foregoing, nothing in this MOU shall limit the Parties liability for bodily injury or death caused by its negligence or its liability in the tort of deceit.

6. Intellectual property rights

Each Party will retain the exclusive rights, title and ownership of all its pre-existing Intellectual Property, Confidential Information and materials (including, without limitation, proprietary ideas, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology) owned or developed by such Party.

7. Governing laws and jurisdiction

The Parties shall make efforts in good faith to amicably resolve all disputes as may arise out of or in connection with this MOU. This MOU shall be subject to and governed by the laws of India and the Indian courts shall have exclusive jurisdiction over any claim arising under this MOU. Notwithstanding the foregoing, either Party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such Party's intellectual property or proprietary rights.

8. Costs

Unless otherwise agreed upon in writing, each Party shall bear its own costs and expenses arising in connection with this MOU and the possible negotiations, completion and implementation of definitive Agreements if any, including but not limited to costs of experts, consultants, lawyers and travel expenses.

9. Amendment

This MOU may be amended at any time by the mutual written assent of the Parties.

10. Severability.

Should any portion of this MOU be determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.

IN WITNESS WHEREOF, the parties hereto have executed this MOU by persons duly authorized as of the date and year first above written.

EXHIBIT A

NON-BINDING TERMS

1. Scope and Intent

EduSkills and JSPM Rajarshi Shahu College of Engineering have decided to work together for the purpose of expanding digital skills into higher education system through offering various world class technical programs in Networking, Cybersecurity, Cloud computing, automation, RPA and other industry 4.0 skills to their students.

2. Proposed obligations of EduSkills:

- To offer digital content and courses of up to 8 global academy programs to the institution.
- To offer LMS of the academy programs, where ever applicable.
- To offer branding collaterals access and usage of academy programs.
- 'Train the Trainers' to the nominated educators by the institution.
- Virtual orientation session/workshop for the institution.
- In-person/remote support for any troubleshooting needed during the onboarding process.
- To offer opportunities to participate in job fairs, seminars, conferences and any regional/national/global competitions or platforms for the students, educators and/or institution's leadership.
- EduSkills Talent Connect Program for students
- EduSkills & AICTE Internship Program for students.

3. Proposed Obligations of JSPM Rajarshi Shahu College of Engineering :

- To create awareness for adoption and registration of technical courses from interested students.
- To nominate a point of contact who could monitor and review the program updates.
- Pay membership fee every year. Following year's membership fee can be incremented on nominal basis, if the need arises. **Agreement to be renewed after 3 years.**
- Institution need to bear the expense for the AWS & Red Hat Global Certification fee of faculties as its mandatory.
- Minimum 100 students commitment for each academy program every year.
- To ensure following pre-requisites to be followed by the participating colleges:
 - a. High speed broadband connectivity, computer labs for relevant courses and classroom IT set-up for all participating institutions.
 - b. Identify upto 2 (Two) Educators with required qualification like Engineers/MCA in Computer Science/IT/Electronics, etc. or experienced diploma holders to receive Training of Trainers for each academy program.

4. Annual Membership Fee

- Year 1: INR 40,000 + Training fee + GST
- Year 2: INR 40,000* + GST
- Year 3: INR 40,000* + GST

* Can be incremented annually on a very nominal basis.

Please Note: This fee applies on institutions. EduSkills will not charge any fee from the students. Institutions may enroll and extend benefit to as many students they want. No capping on number of students.

Welcome to Bentley!

Thank you for your recent purchase and for choosing Bentley Systems. We appreciate your business and want to make sure that downloading or updating your software is easy.

Order Summary

Item	Product	Quantity
10	Academic SELECT	100

Getting Started

Please ensure you are connected to the internet and have your Bentley profile user name and password.

Download your application:[DOWNLOAD](#)**Activating CONNECT Licensing-enabled applications:**

CONNECT Licensing requires users become registered in User Management and then sign in with those credentials to access the application. Before downloading your CONNECT Licensing-enabled application, please follow the steps outlined below:

1. Register your users in User Management. (You must be an administrator co-administrator to complete this step)
2. Download the CONNECT Licensing-enabled application on your machine(s).
3. Upon accessing the application, the CONNECTION Client will appear and prompt users to sign in to continue. First time users will need to click "Forgot Password" to create their password, using the email address registered in Step 1.

Activating other applications:

For all other applications without CONNECT Licensing, please enter the information below into the Product Activation Wizard once the download is complete:

Server Name	SELECTServer.bentley.com
Site Activation Key	005056A14DB21EE787E76512E0422EE0

Need Assistance?

Forgot your password? Please click here to reset your password. If you require additional product activation assistance, please click activate. Electronic help documentation is included with your product download.

CONNECT Licensing information - For additional information on CONNECT Licensing, click here.

Getting Support - If you need further support, visit the CONNECT Center to submit a Service Request. Select the **New Service Request** tile and choose the category that best applies to you.

If you would like to speak with a technical service representative, the phone number of each region is listed here.

Resources to help you get started

The Bentley Learn Server is Bentley Institute's central access point for managing your skills improvement and product training online. You can register for live training, view on-demand courses and enroll in learning paths for your products, solutions, or role.

We also recommend that you browse the Bentley Communities online forums, where Bentley colleagues and users from all disciplines interact to share knowledge.

CONNECT Center

The CONNECT Center is your destination for all your Bentley needs. You can access Learning and Communities, submit and review Service Requests, and download software. Administrators can also access additional tools for managing their accounts, adding new users and accessing reports for licensing and user management. You will see how to easily become a Connected User.

Advantages of your SELECT Subscription

You will have access to multiple CONNECT services through the CONNECT Center, including on-demand Adaptive Learning through CONNECT Advisor, ProjectWise Connection Services, and Personal Mobility Services.

We look forward to providing you and your organization with the highest levels of service.

Yours sincerely,

Bentley Systems India Private Limited

MOU signed between Global Instruments and Department of Mechanical Engineering of JSPM's Rajarshi Shahu College of Engineering, Pune

This is with the reference to your Letter No. *RSCOE/Mech/MOU/2016-17/* dated 14th Feb. We are pleased to inform you that Global Instruments is accepting the Memorandum of Understanding (MoU) with Department of Mechanical Engineering of JSPM's Rajarshi Shahu College of Engineering, Pune on promoting and reinforcing cooperation, mutual exchange of Information and Technological know-how, joint collaborative work in R&D projects, internships and placements, improvement of research and academic programme and also exchange of experts and researchers.

The MOU states that the two organizations will honor the agreement by:

- Promoting interaction between Global Instruments and Dept. of Mech. Engg. of R.S.C.O.E. in mutually beneficial areas of upcoming technologies and research area.
- Sharing knowledge and capability in the concern areas.
- To collaborate, share information and technology to develop the required skills in students.
- To support the institute in following activities.
 - i. Research work leading to M.E./ B.E. degree.
 - ii. Laboratory/ infrastructure Development.
 - iii. Capability development of the students.
 - iv. Sponsored projects for final year students.
 - v. Internship to pre-final and final year students.
 - vi. Organization of joint Workshops, Seminars, Events.

Looking ahead for better interaction in future.

Thanking You.

MEMORANDUM OF UNDERSTANDING

BETWEEN

JSPM'S Rajarshi Shahu College of Engineering, Tathawade, Pune
Department of Mechanical Engineering

AND

M/S Global Engineering Solutions

Global Engineering Solutions

A-7, 2nd Floor, Privia Business Centre, Opposite to International Exhibition Centre (ICC), Nr. PCMC New RTO, Sector No. 6, Moshi Pradhikaran, Pimpri-Chinchwad, Maharashtra Pune - 412105, India.

This Agreement made and entered into on this 22nd day of Nov. 2024 between JSPM'S RSCOE Tathawade, Pune and Global Engineering Solutions, Pune.

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between JSPM'S RSCOE Tathawade, Pune and Global Engineering Solutions, Pune in mutually beneficial areas.
- To provide a formal basis for initiating interaction between JSPM'S RSCOE Tathawade, Pune and Global Engineering Solutions, Pune.

2. PROPOSED MODES OF COLLABORATION

JSPM'S RSCOE Tathawade, Pune and Global Engineering Solutions, Pune propose to collaborate through

- Collaboration of students projects in two years ME and four year degree programs of JSPM'S RSCOE Tathawade, Pune.
- Training of Global Engineering Solutions, Pune personnel through continuing Education Programmes of conducted by JSPM'S RSCOE Tathawade, Pune in areas of interest to Global Engineering Solutions, Pune

- c. Any other appropriate mode of interaction agreed upon between JSPM'S RSCOE Tathawade, Pune and Global Engineering Solutions, Pune.

Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties

3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (here in after referred to as "Research Program") will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

- a. **In their own existing facilities-** The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility-** The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
- c. **Third parties-** The performance of research by the Parties together with one or more third parties.

4. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties here under shall be initiated by the signing of a separate research agreement between the parties, which will describe in details:

- a. The nature, scope and schedule of the research collaboration.
- b. The form of the research collaboration.
- c. The estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. The treatment of intellectual property and data rights, including patents, industrial design registration, copyright and all other proprietary information (including innovations not patented, design not registration etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.

5. CONFIDENTIALITY

- a. During and for a period of three years from the date of disclosure, each party agree to consider as confidential al information disclosed by the other party in written or tangible form or , if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above, shall not extend to any confidential information for which the receiving party can prove that this information
 - Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party,
 - Is already known or become known to the receiving party,
 - Is receiving from third party having no obligations of confidentiality to the disclosing party ,

- Is independently developed by the receiving party; or
- Is required to be disclosed by law or court order.

6. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

7. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by either duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

Dear Sir/Madam,

Greeting from JSPM's Rajarshi Shahu College of Engineering, Tathawade, Pune. Ours is an Engineering institute running under the flagship of Jayawant Shikshan Prasarak Mandal (JSPM) and affiliated to Savitribai Phule Pune University, Pune. The institute offers a bachelor Degree (B.E) in Mechanical Engineering, Civil engineering, Electronics & Telecommunication Engineering, Information Technology and computer Engineering. We also offer post graduation program (M.E) and research centre (PhD) in mechanical, Civil and E & Tc Engineering.

Department of Mechanical Engineering inceptioned in the year of 2002 with an intake of 60 which has now enhanced to 240. Department has fully fledged laboratories with state of art technology equipments and are armed with the recent software which are highly demanded by the employers. The Department of Mechanical Engineering always has its emphasis to impart the quality education considering the recent trends of current industrial Scenario to make them capable to meet the needs. As a reward of this, the Department of Mechanical Engineering has been accredited twice for the period of two years from National Board of Accreditation, New Delhi.

Department of Mechanical Engineering always stands committed to technical, moral and intellectual growth of the students and provides the best possible placement through the training & placement cell. The department also aims to transform the raw intelligent input into committed Engineering graduates and to explore the hidden capabilities of the students towards the best leadership and technological management strength which makes them successful entrepreneurs in future.

Whereas Global Engineering Solutions is engaged in manufacturing /Designing/ Developing software and research and consultancy in the field of Mechanical Engineering and other concerned.

Now recognizing the importance of research and development in the different areas, as well as imparting industrial training to the engineering students related to Mechanical Engineering we wish both R.S.C.O.E. and Global Engineering Solutions shall encourage interactions between the Engineers, Scientists, Research fellows of both the organizations along with students of RSCOE through the following main modes of knowledge transfer:

- Expert lecture of your Engineer/Scientists/Research fellow at our department on cutting edge technologies
- Provide an opportunities to interact our faculties through lectures on different topics for your engineers & graduate trainees as and when required
- Facilitate industrial visits of our students to provide them exposure to various equipment, instrument at your organization

HEALTHY MIND CONSULTANCY

UPGRADING YOUR INNER ESTEEM

Memorandum of Understanding

This Memorandum of Understanding (MOU) is made on date 8th June 2022.

Between

Healthy Mind Consultancy, Pune: 411009

&

JSPM Rajarshi Shahu College OF Engineering, Tathawade

Background:

JSPM Rajarshi Shahu College OF Engineering, is a Engineering College located at Tathawade, Pune India with a vision to provide education in Technical excellence for the broad benefit of the society and economy.

Healthy Mind Consultancy is the consultancy aimed with making people aware in their minds and in action that they themselves have ability and power to make a “Proactive Choice “to enhance the quality and take control of their life.”

Healthy Mind Consultancy and **JSPM Rajarshi Shahu College OF Engineering, Tathawade** (hereinafter The Parties) have come to the following agreement from the mutual awareness in the need of close cooperation in facilitating and advancing academic activities and the providing the training to the institute and the industry.

Healthy Mind Consultancy will provide-

- Training and research opportunities in mutually agreed areas of cooperation.
- Communication Skills, Time Management, E-mail etiquette’, Stress management , Effective Decision Making, Motivation, etc
- Deliver Workshops, Seminars on topics of mutual interest to students and staff.
- Industry/Field visit to various facilities, exhibitions and projects of the company.

JSPM Rajarshi Shahu College OF Engineering, Tathawade

Add : Sahakar Nagar No.2, Pune-411 009. | Contact : +91 9022740260
Email : creatinghealthyminds@gmail.com | Website : healthymindconsultancy.com

- a) support services (Library, IT Resource and Space)
 - b) Provide resources for survey design, data collection and analysis.
 - c) Provide human Resource support for joint projects.
 - d) Help in designing project outline for various joint projects.
 - e) Employee training if required.
 - f) Any other initiative, activity or program not specified above to be mutually discussed and agreed upon after due approvals.
- The parties may undertake any new assignment /project with mutual consent.
 - The MoU will be considered for next five years from the date of signature by both the parties.
 - This MoU may be terminated by mutual consent by any party by providing a notice of one month.

**ACCORDO PER LA COOPERAZIONE
CULTURALE E SCIENTIFICA TRA LA
UNIVERSITA' DEGLI STUDI DEL SANNIO E
JSPM'S RAJARSHI SHAHU COLLEGE OF
ENGINEERING, PUNE, MAHARASHTRA
STATE, INDIA**

Disposizioni generali

Considerando che l'interscambio culturale e scientifico è imprescindibile affinché le istituzioni accademiche sviluppino le proprie attività formative e di ricerca;

Considerando che per raggiungere l'obiettivo sopra menzionato è necessario promuovere accordi culturali e scientifici tra istituzioni di alta formazione in Paesi diversi;

Dopo aver verificato l'interesse reciproco che condividono l'**JSPM'S RAJARSHI SHAHU COLLEGE OF ENGINEERING, PUNE, MAHARASHTRA STATE, INDIA**, e **L'UNIVERSITA' DEGLI STUDI DEL SANNIO** nello stabilire in forma appropriata un programma di interscambio nell'ambito dei settori

- 1) Scienze matematiche e informatiche
- 2) Scienze fisiche
- 3) Scienze chimiche
- 4) Scienze della terra
- 5) Ingegneria civile e Architettura
- 6) Ingegneria industriale e dell'informazione

**SI STABILISCONO I SEGUENTI TERMINI

MEMORANDUM OF UNDERSTANDING

BETWEEN

**INSTITUTE OF TECHNOLOGY PETRONAS
SDN. BHD.**

AND

**JSPM'S RAJARSHI SHAHU
COLLEGE OF ENGINEERING**

**UNIVERSITI
TEKNOLOGI
PETRONAS**

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as the "MoU") is made and entered into this 08th day of June 2022.

BETWEEN: **INSTITUTE OF TECHNOLOGY PETRONAS SDN. BHD.** [Company No. 199501023672 (352875-U)], a company incorporated in Malaysia and having its registered address at Tower 1, PETRONAS Twin Towers, Kuala Lumpur City Centre, 50088 Kuala Lumpur (hereinafter referred to as "ITPSB");

AND: **JSPM'S RAJARSHI SHAHU COLLEGE OF ENGINEERING**, having its registered address at JSPM Rajarshi Shahu College of Engineering, Service Rd, Ashok Nagar, Tathawade, Pimpri-Chinchwad, Pune, Maharashtra, INDIA 411033.

(ITPSB and RSCOE are collectively referred to as the "Parties" and individually as the "Party").

WHEREAS:

- A. ITPSB, a subsidiary of PETRONAS, owns and manages Universiti Teknologi PETRONAS (hereinafter referred to as "UTP"), a private higher learning institution established under Private Higher Educational Institutions Act 1996 located at Bandar Seri Iskandar, Perak
- B. JSPM's Rajarshi Shahu College of Engineering (RSCOE), Pune has been established in 2001, as an affiliated institute with Savitribai Phule Pune University with Approval from All India Council for Technical Education (AICTE), New Delhi. RSCOE has been Awarded "Best College - in Professional –Urban category" by Savitribai Phule Pune University in the academic year 2012-13. In the span of 21 years, RSCOE has created a niche with all its undergraduates (UG) engineering programs viz Mechanical, Civil, Computer, Electronics & Telecommunication, Information Technology; 5 postgraduates programs of Engineering and one each of MBA and MCA; Ph.D. programs in Mechanical, Civil, Computer Engineering and Electronics & Telecommunication.

Recently, JSPM's RSCOE, Pune has been accorded with Autonomy by University Grant Commission (UGC) after a critical review of its Academic Processes of Curricular Aspects, Teaching – Learning and Evaluation, Research Innovation and Extension, Infrastructure and Learning Resources, Students Support and Progression and Governance, Leadership, and Management.

All UG programs have been accredited by the National Board of Accreditation (NBA) which is equivalent to ABET accreditation in India. Recently JSPM's RSCOE received MHRD-NIRF -2021 ranking in the range of top 251-300 colleges. This Institute was awarded the distinguished ISTE Awards in 2021. This institute has also been featured in top rankings like India Today, Outlook and Career 360.

- C. The Parties desire to establish a collaboration to enhance their respective scientific, technical, engineering and education competencies and to develop beneficial programmes pursuant thereto (hereinafter referred to as the "Collaboration").
- D. The Parties have accordingly agreed to enter into this MoU to outline the understanding of the Parties in relation to the scope and objectives of the Collaboration and the respective rights and responsibilities of the Parties thereto.

NOW THEREFORE, the Parties hereby agree as follows:

1. SCOPE OF THE COLLABORATION

- 1.1 The Parties shall, at their discretion hereto, collaborate in the following areas:

1.1.1 Academic

- a. Joint organization of seminars, symposium, conferences and public lectures
- b. Visits by faculty members, professional staff as part of the initiative on sharing of knowledge and expertise

1.1.2 Research

- a. Joint Research and Development activities
- b. Joint Publications of research outcomes, exchange of publications, academic materials and other information
- c. Team taught courses including online courses

1.1.3 Mobility

- a. Staff Mobility Programme (including sabbatical, post-doctoral works, exchange or research attachment)
- b. Student Mobility Programme (including exchange, research attachment, summer programme)
- c. Student Internship Programme

1.1.4 Any other activities that the Parties deem mutually beneficial

In the event the Parties mutually agree to pursue any of the abovementioned activities, a separate written document shall be entered into to detail out the roles and obligations of the Parties.

- 1.2 Each Party shall use all means reasonably available to it subject to ordinary budgetary and financial constraints so as to ensure successful implementation of

the Collaboration and the Parties shall use their best endeavour to collaborate in good faith to the best interest of all Parties.

2. CONFIDENTIALITY

- 2.1 The Parties agree that the Collaboration may involve the disclosure of certain confidential information of the Parties respectively. For the purpose of this MoU, the term "Confidential Information" refers to any and all information including but not limited to information pertaining to curriculum, courses, syllabus, teaching materials, research activities and technical information made available by a Party ("Disclosing Party") to the other Party ("Receiving Party") during the course of the Collaboration. All "Confidential Information" shall be marked or identified as "CONFIDENTIAL" in writing and in a conspicuous manner at the time it is disclosed to the Receiving Party.
- 2.2 The Receiving Party hereby covenants to keep in strict confidence all Confidential Information and undertakes not to divulge or disclose the Confidential Information to any third party without specific written permission of the Disclosing Party. The confidentiality obligations hereunder shall not apply to the Confidential Information which:
- a. is or has become obsolete or is already in the public domain without any breach of the provisions in Clause 2 herein;
 - b. is already in the possession of the Party prior to the execution of this MoU;
 - c. is independently developed or obtained by the Party;
 - d. is obtained by the Party from any third party without confidentiality obligations; or
 - e. a court of competent jurisdiction or any governmental or regulatory body orders to disclose the Confidential Information, provided however, that such disclosure is limited to that which is required to be disclosed.
- 2.3 The provision of this Clause 2 shall survive the expiry or termination of this MoU.

3. INTELLECTUAL PROPERTY

- 3.1 For the purpose of this MoU, Intellectual Property Rights shall include all data, specifications, materials, research activities and technical information solutions, drawings, know-how and technical information developed, obtained, created, written, prepared or discovered, whether patentable nor not, arising from the Collaboration or otherwise brought into existence pursuant to this MoU. Specifically:
- a. Background Intellectual Property Rights shall include any Intellectual Property Rights that are possessed by each Party prior to the commencement of this MoU and/or developed independently by the Parties. Any Background

Intellectual Property Rights that are made available as between the Parties for the performance of the Collaboration shall remain the separate property of the Party making such Background Intellectual Property Rights available, and nothing in this MoU shall be construed to grant any implied license to the other Party to use such Background Intellectual Property Rights other than in performance of this Collaboration.

- b. Foreground Intellectual Property Rights shall include any Intellectual Property Rights that arise, or are obtained or developed, created, written, prepared and discovered jointly by the Parties, arising or otherwise brought into existence pursuant to this Collaboration.

- 3.2 The ownership of all Foreground Intellectual Property Rights arising out of the Collaboration shall be expressly subject to a separate written agreement to be mutually agreed by the Parties.

4. DURATION, TERMINATION AND WITHDRAWAL

4.1 Duration

- a. This MoU shall come into effect upon signing by the Parties and remain in force for a period of five (5) years. The Parties may, by a three (3) month written notice to the other before expiry of the MoU, apply to extend this MoU on mutually agreed terms failing which this MoU shall lapse and shall be of no further effect and neither Party shall have any further claims against the other thereafter.
- b. Without prejudice to the provisions in (a) above, the Parties may in the course of implementation of the terms of this MoU, execute a formal Collaboration Agreement or any other such written agreements in respect of any developments and/or expansion to the scope of the collaboration arising from the MoU.

4.2 Termination and Withdrawal from the MoU

- a. Either Party may terminate or withdraw from this MoU for any reason whatsoever by providing to the other Party a three (3) month written notice of its intention to terminate or withdraw from this MoU.
- b. Upon termination of this MoU, neither Party shall be liable to the other in respect of any claims, damages, costs or expenses of any nature except for those rights arising from Clause 2 herein before provided.

5. COST AND EXPENSES

Each Party shall bear its own costs and expenses incurred in the preparation, execution, stamping and implementation of this MoU.

6. DISCLAIMER

Each Party shall be solely responsible for its own acts and omissions (and the acts and omissions of its directors, employees, consultants and other agents) and no Party shall have the authority nor shall it purport to act for, or legally binds, the other Party in a transaction with a third party except as authorised in writing by the Parties.

7. GOVERNING LAW

This MoU shall be governed by and construed in accordance with the laws of Malaysia.

8. RELATIONSHIP OF THE PARTIES

Nothing contained in this MoU shall be construed as establishing or creating between the Parties a relationship of master-and-servant or of principal-and-agent. The relationship between the Parties shall be that between equal independent contractors.

9. NON-BINDING OBLIGATIONS

9.1 The Parties do hereby agree, declare, covenant and undertake that this MoU outlines the understanding between the Parties with regard to the subject matter herein and may be subject to change or variation at the absolute discretion of the Parties herein, in the course of implementation of the collaboration, provided always that such discretion is exercised only upon mutual consent of the Parties.

9.2 The Parties do further hereby agree, declare, covenant and undertake that except where it is specifically provided herein, the MoU is not intended to create any legal obligations and shall not be legally binding on the Parties hereto.

10. NAME, OFFICIAL EMBLEM AND LOGO

10.1 Neither Party shall use, nor permit any person or entity to use the name, acronym, official emblem, logo trademark (or any variation thereof) or other Intellectual Property (hereinafter referred to as "Brand Materials") that is/are identified with or belongs to the other Party on any publication, document, paper, audio or visual presentation, or for publicity purposes.

- 10.2 Any use of the Brand Materials for the purposes stated in Clause 10.1 above shall first obtain the written consent of the other Party and shall comply with all reasonable instructions as to the use of the other party's Brand Materials.

11. MISCELLANEOUS

- 11.1 The official language to be used for execution and cooperation under this MoU shall be English.
- 11.2 Any amendment or modification to this MoU shall be made upon mutual consent of the Parties vide a written notice executed by the duly authorised representative(s) of each Party hereto.
- 11.3 A waiver of any of the rights or remedies available to any Party hereto shall not be valid and effective unless expressed in writing and executed by the duly authorised representative(s) of the Party. Such a waiver by any of the parties hereto shall not be construed as a waiver in respect of any other breach, antecedent or future.
- 11.4 Each Party shall be solely responsible for their respective tax implications (if any) arising out of the performance of the terms and conditions of this MoU.

12. NOTICES

- 12.1 Any notice (including any approval, consent or other communication) in connection with this MoU shall be:
- a. made in writing in the English language;
 - b. delivered by hand or sent by prepaid courier to the address of the addressee and marked for the attention of the person so specified, or to such other address or facsimile number, and/or marked for the attention of such other person as the relevant party may from time to time specify by notice given in accordance with this clause.
 - c. The relevant details of each Party at the date of this MoU are:

For ITPSB

Address : Universiti Teknologi PETRONAS
32610 Bandar Seri Iskandar, Perak

Telephone no : 1-300-22-8887

E-Mail Address : principal@jspmrscoe.edu.in
Designation : Director, RSCOE

- 12.2 In the absence of evidence of earlier receipt, any notice shall take effect from the time that it is deemed to be received in accordance with Clause 12.3 below.
- 12.3 A notice is deemed to be received in the case of delivery by hand or by prepaid courier to the address of the addressee, on the day on which it is received at that addressee's address.
- 12.4 A notice received or deemed to be received in accordance with Clauses 12.3 and 12.7 on a day, which is not a Business Day, or after 5 p.m. on any Business Day according to local time in the place of receipt, shall be deemed to be received on the next following Business Day.
- 12.5 For the purposes of this Clause 12, "Business Day" shall mean a day not being a Saturday, Sunday or gazetted public holiday in the place where the notice is received.
- 12.6 Each Party undertakes to notify the other Party by notice served in accordance with this Clause if the address specified under Clause 12.1 is no longer an appropriate address for the service of notices and/or formal correspondence.
- 12.7 **Electronic communication**

Any communication to be made between any Parties under or in connection with this MoU may be made by electronic mail or other electronic means, to the extent that the Parties agree that, unless and until notified to the contrary, this is to be an accepted form of communication and if the Parties:

- a. notify each other in writing of their electronic mail address and/or any other information required to enable the sending and receipt of information by that means;
- b. notify each other of any change to their address or any other such information supplied by giving them not less than five (5) Business Days' notice.
- c. any electronic communication made between the Parties will be effective only when actually received in readable form.

13. EXECUTION IN COUNTERPARTS & DIGITAL SIGNATURE

The Parties may sign this MoU in one (1) or more counterparts through the respective duly authorised representatives of the Parties, each of which constitutes an original and all of which when taken together shall constitute one and the same instrument. The Parties may electronically sign this MoU, and the Parties may deliver this MoU by facsimile or by emailed portable document format ("PDF") document (or other mutually agreeable document format between the Parties), and a reproduction of this MoU with a Party's signature made by electronically, sent by facsimile or email shall have the same effect as and be enforceable as a signed and delivered original version of this MoU.

[END OF CLAUSES]

**MEMORANDUM OF UNDERSTANDING
FOR
EDUCATIONAL COOPERATION
BETWEEN
YUAN ZE UNIVERSITY
AND
JSPM'S RAJARSHI SHAHU COLLEGE OF ENGINEERING**

In order to promote international educational cooperation and educational exchanges, Yuan Ze University and JSPM's Rajarshi Shahu College of Engineering join in the following agreement on educational cooperation.

Both universities will endeavor to cooperate in joint educational programs and research projects. To the extent feasible, both universities will encourage direct contact and cooperation between their faculty members, departments, and research institutes under provisions of this agreement.

Within fields that are mutually acceptable, the following general forms of cooperation will be pursued:

- A. Collaboration of faculty and staff for research, lectures, discussions and other academic pursuits.
- B. Reciprocal exchange of undergraduate or graduate students for study and research.
- C. Exchange of published information.
- D. Collaboration in training programs, internships, or co-teaching.
- E. JSPM's Rajarshi Shahu College of Engineering will annually send five to six students to Yuan Ze University for PhD studies.

Arrangements for specific visits, dual degree programs, and other forms of cooperation will be developed jointly and will be agreed upon for each specific case. No monetary consideration will be exchanged between the institutions. Both parties understand all financial arrangements will have to be negotiated and will depend on the availability of funds.

This agreement will become valid upon signed by the appropriate officials of the two institutions. This agreement shall remain in effect until one party notifies the other of its intention to terminate this agreement in writing at least ninety (90) days before the end of the academic year.

Dear Sir,

With reference to the previous email, regarding your initiative for the "Train the trainer" program. We have identified the Faculty members for attending the same. The details are as follows:

"Train the trainer" Program for Veritas Technical Support Curriculum

List of Shortlisted Faculty Members (wef 09/05/2022 to 11/05/2022)

<u>Sr. No</u>	<u>Department</u>	<u>Name of Faculty member</u>	<u>Module</u>
1	Computer Engg	Dr. Prashant Kumbharkar	1,2
		Prof. Kolekar	3,6
2	Information Technology	Prof G. S. Mate	4
		Prof. Leena Sonavane	6,7
		Prof. More Rahul	3,5
3	MCA	Dr. Snehal Godse	6,7
4	T&P	Prof. Kopulkar	8

Pls communicate in case any change required.

Regards

Dr. Ram Joshi

DEPARTMENT OF COMPUTER ENGINEERING
JSPM's Rajarshi Shahu College of Engineering
(An Autonomous Institution Affiliated To Savitribai Phule Pune University)
Tathawade, Pune-411033

and

FORCEARK CONSULTING
Pune, Maharashtra, India.

Profile of ForceArk Consulting

ForceArk Consulting is a trusted partner, an organization in the Salesforce and Vlocity space. A team that takes pride in our readiness to solve some of the most complex technical challenges in existence. With challenges, you'll have the unique opportunity to work on projects that are literally evolving our Salesforce/Vlocity capabilities. We all share a common passion and aspiration – to serve a mission much bigger than ourselves. When you join our team, you'll be part of a rare collection of thought leaders and game-changing innovators. **ForceArk Consulting** is pleased to offer **internship program** with your esteemed College JSPM's RSCOE & provide a career building opportunity.

ForceArk Consulting will prepare students to be a Salesforce and Vlocity Developer and proficient in Training, DevOps and Cloud Services.

ForceArk Consulting may use the name of the institute on their website for institute Campaigns and photographs of the institute Campaign may be uploaded on the website.

ForceArk Consulting will provide Internship and Certification Training in following domains:

- Salesforce Admin/Developer
- Vlocity Admin/Developer

Encourage & support faculties, students for R&D activities and IPR.

Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get placement assistance and consultations.

Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their valuable contribution in company projects.

Benefits of MOU:

1. Both the **Department of Computer Engineering of JSPM'S RSCOE** and **ForceArk Consulting**, believe that close co-operation between the two would be of major benefits to the student community to enhance their skills and knowledge and would act as platform in bridging the gap between academia and industry.

- Configuration Management using Ansible, Puppet & Terraform.

Apart from this, **XenStack** will also provide access to its own Private **XenStack Cloud** with production and development work loads prebuilt with daily data ingested from Facebook, Twitter, NewYork Metro service, WHO, United Nations ...,

PRINCIPAL
Jayawant Shikshan Prasarak Mandal's
Rajarshi Shahu College of Engineering
Talhawade, Pune-411 033

Students will also get access to Cloud services with total benefits of more than 1000%.

XenStack will provide sponsored FDP/workshop in every semester.

Encourage & support faculties, students for R&D activities and IPR.

Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get placement assistance and consultations.

Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their valuable contribution in company projects.

Benefits of MOU:

1. Both the Department of Computer Engineering of JSPM'S RSCOE and Xenstack, believe that close co-operation between the two would be of major benefits to the student community to enhance their skills and knowledge and would act as platform in bridging the gap between academia and industry.
2. Interaction of Xenstack and the Department of Computer Engineering, will give an insight in to the recent developments/ requirements of the industries. Hence, the students can be equipped to meet tomorrow's challenges present in the real world.
3. Xenstack and the Department of Computer Engineering tie up will build confidence and prepare the students to have a smooth transition from academia to industry.
4. To have joint meetings with faculty of the Department of Computer Engineering and staff of Xenstack to discuss on various topics, to have interdisciplinary design and establishment of working modules and the curriculum requirements relating to the industries.
5. Xenstack shall give a few real time projects related to the Cloud that can be done by student and faculty.
6. To guide the students to make the projects by utilization of the training in both premises.
7. To provide specific training requirements for students in the latest technological fields and related software developments.
8. To provide forums like workshop and short term training courses.

Role & responsibilities of each party will be as under:

PRINCIPAL
Jayawant Shikshan Prasarak Mandal's
Rajarshi Shahu College of Engineering
Tathewade, Pune-411 033

Roles and Responsibilities of Xenstack

- a. Offer Mentorship opportunities to students from Second year engineering up to completion of bachelors of Engineering. The duration of mentorship will be 30 hours per student per academic year for a period of 2 continuous academic years.
- b. Offer Internship to Second, Third Year and Final Year students with duration of (30 Days x 8 Hours per day i.e. 240 hours of internship per student). The students shall be familiarized / trained / taught on live projects within the organization. All the expenses incurred during this period on account of travel, transportation, lodging and boarding shall be borne by the respective students.
- c. Issue certificates to each participating student on successful completion of Mentorship and Internship program.
- d. To provide Single Point of Contact for mentorship, internship and placement program and conduct the program.
- e. Conduct technical workshops/seminars on various important key areas or topics to gain skills in the respective domain, as per the requirements of the students / faculties of Computer Engineering Department, RSCOE, PUNE at least once in semester. The dates and duration of workshops can be decided with mutual consultation from time to time.
- f. The training program offered by Xenstack could be voluntary; the fee structure for training program will be decided by Department of Computer Engineering and Xenstack jointly. The shares in total training cost is Xenstack 80%(for conducting training program) + department 20% respectively.
- g. Xenstack will offer placement opportunities to the interested students without any compulsion on either the students or the company.
- h. Xenstack will offer freelance opportunity to faculties to work on their projects, where faculties render their knowledge in design, testing and solution provider for the project.
- i. Xenstack will offer sponsored projects to the students for their final year academic project.
- j. Xenstack agrees to setup 'Center of Excellence at Department of Computer Engineering. All the software's at Center of Excellence will be sponsored by Xenstack. Through this Center of Excellence, Xenstack will provide training to students/ faculties.
- k. Xenstack will provide access to Cloud services with total benefits of more than 1000\$.

MEMORANDUM OF UNDERSTANDING (MOU)

Between

**Jspm's Rajarshi Shahu College of
Engineering, Tathwade, Pune
&**

Dolphin Labs

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on 13th April 2022.

BETWEEN

Department of Computer Engineering, JSPM's Rajarshi Shahu College of Engineering, Tathwade, Pune, the First Party (hereinafter referred as 'First Party').

AND

Dolphin Labs, Pune, the Second Party, (hereinafter referred to as "Second Party").

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Computer Engineering Department of a Higher Educational Institution.
- B) Dolphin Labs, Pune the Second Party is engaged in Skill Development, Education, and R&D Services.
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide them with enhanced opportunities.

Seemach

- D) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive

Seemaah

Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party and ensure adequate safety of such faculty & students on such visits. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/Workshops/Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.3 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available to them.

Seemach

- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities.
- 2.5 **Skill Development Programs:** Second Party to train the students of the First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver appropriate guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party to impart industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in the concerned sector, if available.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.9 There is no financial commitment on the part of the **JSPM's Rajarshi Shahu College of Engineering Tathwade, Pune**, the First Party, to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.
- 2.10 Second party is offering "Centre of Excellence" at Computer Engineering Department, RSCOE.

CLAUSE 3 VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Dolphin Labs, Pune**, the Second Party, as the case may be, will take effective steps for

implementation of this MOU. Any act on the part of **Dolphin Labs, Pune**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

Profile of Project Visioncy

The Project Visioncy an educational and training institute is founded by Mr. Surabh Bhosale on 20 November 2018. The institution work for soft skills development, mental health awareness and social work via sessions and workshops. The Project visioncy has 230+ members across Maharashtra. Several activities like 52 Weeks 52 challenges, each week new challenges for social development, personality development & skill development are implemented. The institute also train members & give mentorship to make them public speakers. Various food drive, cleaning drives and tree plantations are conducted frequently. 50 + speakers and 65 authors work currently with Project Visioncy.

The partners have entered into this MoU because they:

- ✓ RECOGNIZE the mutual interest of both the parties in the field of soft skills and Employability enhancement.
- ✓ RECOGNIZE the importance of Institute-Institute interaction activity for the betterment of future prospect of the students.

This MoU will enable the parties to: (Intends of the MoU)

- ✓ FOSTER Soft skills development at the academic levels to help make the students acquainted with the industry standards.
- ✓ STRENGTHEN the theoretical as well as the practical knowledge necessary in industrial practices.
- ✓ EXPLORE any opportunity of campus placement for students.
- ✓ PROVIDE Faculty Development Program for the Staff.
- ✓ HELP in Curriculum Design teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- ✓ ENABLE Consultancy to the Institute for Process development.

This MOU is signed only in the interest of helping & guiding the students in various development activities & RSCOE will not be responsible for any other act of the students of whatsoever kind. The either party will have no financial obligation.

The Responsibilities of RSCOE under this MoU will be:

- To provide the required support, man-power and infrastructure facilities for conduction of various activities of the mutual interest.
- To provide minimum one **responsible** Faculty Coordinator and minimum two student members to assure ensure maximum attendance and smooth conduction of each of the session/activity.

The Responsibilities of Project Visioncy under this MoU will be:

- To assist a Soft Skill Club in the campus. Arrange various sessions for the students to enhance, soft skills, confidence, decision making ability and employability skills required by the industry.
- To support students for better placement in reputed companies.
- To provide them hands-on-experience to the maximum eligible and interested students.

Termination of MoU:

- 1) The said MoU is **perpetual by nature** but either of the signing authorities can also terminate it with proper communication with the other signing party, upon poor response from the either side.

After reading the above matter, the parties hereby agree to establish collaboration according to the **Intends of the MoU.**

IN WITNESS WHEREOF, the Parties hereto, each acting under due and proper authority, have executed this MOU as of the date written above

Term of MOU:

1. This MOU comes into force from the day of signing by the last party. The term of this MOU is five year from the last party signing hereof. Either party may terminate this MOU by giving thirty (30) days prior written notice to the other party.

2. Limitation of liability:

Neither party shall be liable for any special, indirect, incidental, punitive, contingent nor consequential loss or damages suffered out of or in connection with the aforesaid MOU whether as a result of a breach of this MOU or otherwise.

3. Dispute Resolution:

The parties recognize that a bonafide dispute as to certain matters may from time to time arise during the term of this MOU, which relates to either Party's rights or obligations hereunder. In the event of the occurrence of such dispute, either Party may, by written notice to other Party, have such dispute referred jointly to the authorized representatives of the Parties, or their successors or counterparts, for resolution by good faith negotiations within 15 days after such notice is received in respect of such dispute.
