Subject: Request for permission to Open IEEE Student Chapter at Computer Department of RSCOE

Respected Sir,

I am writing to request your permission and support to establish an IEEE Student Chapter (Computer Society) at our department. The IEEE (Institute of Electrical and Electronics Engineers) is a globally recognized organization that brings together students, professionals, and researchers in the field of electrical, electronics, and computer engineering. Having a student chapter will provide our students with an excellent platform to engage in technical events, workshops, and networking opportunities with experts from industry and academia.

It ensures that the academic offerings are in sync with industry standards and has good impact and weightage for NBA accreditation. In order to proceed with the establishment of the IEEE Student Chapter, we need to fulfill certain requirements, including the registration of one faculty advisor. The registration fee for the faculty advisor is as follows-

\$175.00 (IEEE Membership) + \$60.00 (IEEE Computer Society membership)

It is approximately INR 20355.11 as on date. I respectfully request your approval to open the IEEE Student Chapter and to allocate the necessary funds for the registration of Dr. Seema Kedar (HOD, Computer Department).

I hope for your positive response in supporting this initiative.

Thank you

Seemaah
